Thanks Dionna. Just to make sure I have it right, would the Court still like us to file a separate motion for judgment, per the notice we received earlier today? We will not refile a separate motion for injunction.

Hi Nitin,

The documents that were filed are fine. There is no need to file anything additional. Thank you for inquiring.

Hi Dionna,

Thanks for talking with me today. As we discussed, yesterday, Oracle filed a motion for (1) permanent injunction and impoundment, and (2) judgment on its unfair competition claim. Oracle submitted one proposed order along

with its motion.

Pursuant to the Court's notice, Oracle will file a standalone motion for judgment on Oracle's unfair competition claim. If the Court would also like us to also re-file a standalone motion for a permanent injunction and impoundment, we are happy to do that as well.

Best regards,

Nitin
